BY TITLE

***What paperwork is required to apply for a permanent sign permit?***

- 1) The sign permit application, which can be obtained from the Community Services Department (937) 498-8131 or 498-8133;
- 2) A simple plot plan, drawn to scale, showing the proposed sign location in relationship to property lines, buildings and structures located on the property;
- 3) An elevation drawing (sometimes referred to as a cross-section) that shows the sign height and size from ground level; and.
- 4) Sign details such as fastenings, projection dimensions, etc.

***What are the size limitations for a permanent business sign?*** Generally, freestanding signs cannot exceed 100 square feet in area for each side of a two-sided sign, nor can the total height exceed twenty-five (25) feet (refer more specific questions to Community Services Department staff). Generally, attached (wall) signs cannot exceed three square feet for each linear foot of building frontage (facing the street).

***Where can I place a permanent business sign?*** Such signs can usually be placed anywhere on the property grounds or wall of a building that does not interfere with required off-street parking, pedestrian traffic, or where it would adversely affect traffic visibility; such signs cannot be placed anywhere in the public right-of-way (refer more specific questions to Community Services Department staff).

***How many permanent business signs can I have on my property?*** Generally, only one. However, some properties are allowed more than one depending on property size and location in relationship to streets (refer more specific questions to Community Services Department staff).

***How must the property be zoned?*** Generally, any property not used as a residential dwelling can have a permanent business sign (refer more specific questions to Community Services Department staff).

***What is the fee for a permanent business sign permit?*** \$25.00, plus 10 cents for each square foot of sign area - only one sign side is counted in computation. For example, a 75 square foot sign would be charged \$25.00, plus \$7.50 (75 x 10 cents), for a total of \$32.50. Not-For-Profit organizations, i.e. churches, schools, YMCA, are not charged permit fees (refer more specific questions to Community Services Department staff).

NOTE: CONTACT MIAMI COUNTY BUILDING DEPARTMENT FOR ALL COMMERCIAL BUILDING/ ELECTRIC PERMITS AT 937-440-8121.
