Carts will be delivered September 1st – 30th

Automated waste pick up begins **October 1st**

## Cart placement rules

Follow these simple steps to ensure your waste is collected quickly and easily:

- On your scheduled day of service, place your waste cart at the curb no later than 7:00 a.m.
- Position your cart no further than 3 feet away from the road with handle facing toward your residence.
- Position your cart 3 feet away from any obstacles, such as a mailbox or light pole.
- Do not park your car in front of the container.
- Place all waste inside your container and do not overfill the container.
- Remove carts from the curb within 24 hours of collection.
- Carts cannot be placed at your curb prior to 24 hours of your regular scheduled pickup.

## Carryout service

Residents that are physically unable to transport containers to the curb can have them picked up beside the house at no additional charge. There can be no resident living in the home having the ability to move containers to the curb. Residents that do not meet the requirements of the elderly/handicapped carry out service can pay an additional \$14.00/month to have materials collected beside the house.
