

YARD WASTE DISPOSAL INFORMATION

Weekly collection of yard waste on Fridays by the City contractor, Republic Services, ends November 27th for the season. Weekly yard waste collection resumes May 1st each season.

Monthly collection of yard waste by the City of Sidney crews begins the second week of December and continues through the second week of April. During monthly collection, all yard waste should be out for pick up on your normal trash pick-up day during the second week of each month. The actual pick-up day may be later in the week depending on volume. It may take more than one week to complete the collection.

Weather permitting, the following is the typical schedule for the monthly collection:

2nd Week in December
2nd Week in January **Christmas tree pick-up*
2nd Week in February
2nd Week in March
2nd Week in April

***Christmas tree and seasonal greenery will be picked up by Republic for two weeks after Christmas. The City will pick-up the remaining trees and greenery the second week in January. Residents are reminded to remove trees from bags unless they are biodegradable (paper) bags. Yard waste stickers are not required for Christmas trees and/or seasonal greenery.**

Artificial trees or greenery will not be picked up with yard waste. They should be placed in the regular trash.

Yard waste guidelines are the same for weekly and monthly collection:

- ✓ Yard waste must be at the curb by 7:00 AM. There are no alley pick-ups of yard waste.
- ✓ All yard waste must be contained by box, trashcan, biodegradable bag or bundle of material.
- ✓ Yard waste bundles must be wrapped with rope or heavy twine (no wire).
- ✓ Yard waste containers or bundles cannot exceed 60 pounds.
- ✓ Branches and brush must be 2 inches or less in diameter and 4 feet or less in length.
- ✓ A yard waste sticker is required on each bag or bundle only if you are using the City's bag system for trash.
