These comparisons are based upon:

- (1) Home Value of \$100,000. Real estate include taxes for County, School, Township, Board of Health, etc.
- (2) Estimated earned income \$50,000 in the City or Village of residence. (If the income is earned other than the place of residence that City's earning rate would apply and thus change the total cost.
- (3) This is if a school district imposes an income tax above the property tax amount. Based on \$50,000 with one personal, one spouse and one dependent exemption.
- (4) Based on residential usage of 1,000 cubic feet per month.
