

CITY OF SIDNEY BUSINESS RETURN INSTRUCTIONS

GENERAL TAX INFORMATION FOR 2017 BUSINESS RETURNS *

WHO MUST FILE:

- EVERY BUSINESS ENTITY conducting business in, performing services in, or deriving income (or loss) from activities in the City of Sidney. If you have filed a return in the past and feel you should no longer be required to file a return (due to cessation of business in Sidney), please contact our office to determine if or when your account may be inactivated.

This form is for use by business taxpayers (i.e. partnerships, corporations, s-corporations who file using their Federal Tax Identification, as opposed to a social security number) only. Individuals (filing under their social security number) must obtain the "Sidney Individual Return" from the Income Tax office or from the City's website at www.sidneyoh.com

WHEN TO FILE: Businesses that end their taxable year on December 31 must file their return on or before April 17, 2018. Fiscal year businesses must file by the 15th day of the fourth month following the end of the fiscal year.

REQUEST FOR EXTENSION OF TIME TO FILE: Filing a Federal Extension gives a business an automatic Extension for the City of Sidney. The due date of an Extended Business Sidney return has the same due date as the extended Federal return. **Sidney does not receive copies of federal extensions from the IRS.** You are not required to file an Extension with Sidney by the original filing due date (copy must be included with return to verify Federal Extension), however filing a Copy of the Federal Extension will allow us to properly code your file and not send you letters requesting the return during the extension period. Requests for calendar year businesses should be filed by April 17, 2018. It is appreciated if fiscal year businesses file extension requests by the 15th day of the fourth month following the end of the fiscal year. An extension request that is granted is for an extension of time to file and is **NOT an extension of time to pay.** Late payment of tax owed may result in an assessment of penalty and interest.

ESTIMATED TAX PAYMENTS: Every business that anticipates taxable income subject to Sidney taxation and such income results in tax due shall file a declaration and pay estimated tax. The payments for calendar year-end filers for 2018 are due on April 17, June 15, September 17, and December 17. Estimated payments for fiscal year businesses are due on the 15th day of the fourth, sixth, ninth and twelfth months after the beginning of the taxable year. Estimated tax forms are attached to this form or are available on the City's website www.sidneyoh.com. A declaration and payment of estimated tax which is either less than 90% of the tax shown on the current return or less than 100% of the previous year's tax is subject to an underestimation penalty. See Line-by-Line Instructions for more details.

PENALTIES AND INTEREST: Filing your return late, paying your taxes late and/or not paying the appropriate estimated tax payments, if required, will subject you to penalties and interest. Also if your return is amended or corrected with additional tax due you may be subject to penalty and interest. See Line-by-Line instructions for more details.

OHIO BUSINESS GATEWAY: Businesses may file extension requests, file their municipal income tax returns, pay estimated tax payments and pay their Sidney net profits income tax and withholding payments through the Ohio Business Gateway. See www.obg.ohio.gov for information.

DECLARATION OF ESTIMATED TAX FOR 2018: Tax rate in 2018 is 1.75%

Methods of calculating estimated tax due:

- A. You may pay an amount equal to Sidney Income Tax for 2017 (line 10) (less any Sidney tax credits). By paying quarterly estimated tax payments totaling 100% of the 2017 Sidney Income Tax less credits carried forward, you will not be penalized for underpayment should your income be greater in 2018. (Known as "safe harbor"). For tax year 2017 and forward no estimates will be required if total estimated tax due will be less than \$200.00.
- B. If you know what your anticipated income will be for 2018, you can base your estimate on 90% of that anticipated income amount. Using that figure, you can determine an equal quarterly amount for remittance for each period, no estimates will be required if total estimated tax due will be less than \$200.00.

Penalty for underestimation

If you have not paid in the lesser of (1) 90% of the current tax year's tax liability (through estimated payments or prior year overpayments) or (2) 100% of the prior year's tax liability, then the penalty for underestimation is 15% of the difference between 90% of the current year's actual tax (line 10) and the amount credited for the year that was paid on time (line 11C) for 2018.

LINE 16 – Enter *either* the total estimated taxable income for 2018 *or* the actual tax liability for 2017 (if using the "safe harbor" method). This amount is then multiplied by **1.75%** and entered on Line 12.

LINE 17 – Enter the amount of credit being applied to 2018 from Line 15 above.

LINE 18 – Balance of estimated Sidney Income Tax due take Line 16 minus Line 17.

LINE 19 – The estimated tax may be paid in full with this Declaration or in equal quarterly payments. Quarterly payments will not be billed. If using Method A "safe harbor" on line 16 above, then a minimum of 25% of Line 18 is due for the first quarter estimate. If using Method B on Line 16, then a minimum of 22.5% of Line 18 is due for the first quarter estimate. Coupons are included in this package or can be obtained on the City's website www.sidneyoh.com. The estimate may be amended at the time of making any quarterly payment. For 2018 calendar year businesses, quarterly payments are due on or before April 17, June 15, September 17, and December 17. For fiscal year businesses quarterly payments are due on or before the 15th day of the fourth, sixth, ninth, and twelfth month after the beginning of the fiscal year. If the due date falls on a weekend or a City holiday, the due date will be the following business day. Any prior year credit carry-over will be included as a current year estimated payment. Interest is assessed for failure to pay the tax when due. **Interest at the rate of .50 % per month (6% annually) for tax year 2018 is assessed on any tax remaining unpaid after the original due date before any extensions. To avoid an underestimation penalty assessment, the amount paid (via estimates or prior year overpayments) must be within 90% of the actual amount owed for 2018 or 100% of the 2017 tax due.**

LINE 20 – **TOTAL AMOUNT PAYABLE TO THE CITY OF SIDNEY**. The total amount of Line 14 plus Line 19. This amount is due and payable to the City of Sidney prior to April 17, 2018 for calendar year businesses or the 15th day of the fourth month following the end of the fiscal year for fiscal year businesses. All check or money orders are to be made payable to the City of Sidney. Filing of returns and/or payment of Sidney income tax may also be done via the Ohio Business Gateway.
