## Magnetic Media Reporting For Tax Year 2022

Submitting Annual W-2  
Employee Wage Reporting

This packet contains: -Specifications for filing Magnetic Media  
-Requirements for EFW2 Federal Format

**Please read the specs carefully and thoroughly to be sure the correct changes are made.**

Failure to follow these specifications will result in unreadable media by our software. All unreadable software will be returned to you at your expense for correction.

The City of Sidney's magnetic media specs are now taken directly from the **Federal** filing EFW2-2017 W-2 format (formerly MMREF-1). The records that will be read are the **RA, RE, RW & RS** records in that order.

As required by the Tax Administrator, any employer who has 150 or more employees is required to file magnetic media. A paper W-2 for each employee is required, along with magnetic media submission showing all wage breakdown information. Printouts will be accepted in lieu of W-2 forms if the printout has the wage and tax breakdown. Information required on the printout will be completed boxes 1, 3, 5, 18 & 19 from the W-2 form. There will be no exceptions.

If you have any questions regarding the magnetic media filing specs, please feel free to contact me at the phone number or e-mail address listed below. I will be happy to help in any way I can. Thank you for your assistance.

**SPECIFICATIONS FOR MAGNETIC MEDIA REPORTING OF W-2 INFORMATION TO CITY OF  
SIDNEY DEPARTMENT OF TAXATION**

**DECEMBER 2021**

For the 2022 tax year, the City of Sidney Department of Taxation & Revenues requires all employers filing W-2's for 150 or more employees to submit their W-2 information on magnetic media, **in addition to**, paper forms. Please note the correct format is the EFW2 W-2 format (formerly MMREF-1).

This file/record format is detailed in the Social Security Administration publication "EFW2". If you do not have a copy of the publication, you may request one from the local SSA office or view and/or print the form on the SSA web page located at <http://www.socialsecurity.gov/employer/pub.htm>.

For our recording needs, we require only 4 of the records in the Federal filing format. We require a Submitter record (RA) for each employer; one Employer Record (RE) for each employer, if submitting multiple employers then one RE record for each employer, one employee wages record (RW) and one Supplemental Record (RS) for each Employee. All other records (those required by the SSA) may be filled with spaces or left as is, since these unneeded records will be skipped during our processing. Use only hard carriage returns at the end of a completed record.

**Important exceptions to the Federal filing format specifications:**

- **The City of Sidney Department of Taxation accepts W-2 information recorded ONLY on compact disk (CD) or an e-mail file. The e-mail address you may send it to is: [tax@sidneyoh.com](mailto:tax@sidneyoh.com). Please be advised we do not have secured email and therefore your file should be password enabled.**
- **The City of Sidney Department of Taxation & Revenues accepts multiple Employers on one "W2REPORT" file. However, there may be only one W2REPORT file on each diskette or CD. This feature allows tax service companies to efficiently file for multiple employers.**
- **Sidney's Taxing Entity code is "SIDNE"**

The following is a list of records available in the Federal file format and should be titled as "W2REPORT". As you can see from the bolded records, the City of Sidney uses only the one (1) employer record and three (3) supplemental records. All other records are skipped during processing and, therefore, may or may not have information in them:
